**Audrey** (11 years old)

I always get up at 7 o'clock in the morning. I always have breakfast and I walk to school. We start lessons at 8:30 o'clock and we finish school at 3:30 o'clock. I usually do my homework afterschool, but I sometimes watch a movie.

**Michelle** ( 8 years old)

I finish school at 2:30 o'clock. Then Mum comes to school. We walk home, we visit the market to buy some food. We have lunch together. I like books, and I often listen to music. I sometimes sing songs!

**Desmond** (15 years old)

School is great! My favourite subject is science. I always study science, but I never study geography. I often walk to school, but I sometimes ride my electric scooter.

**Bryan** (15 years old)

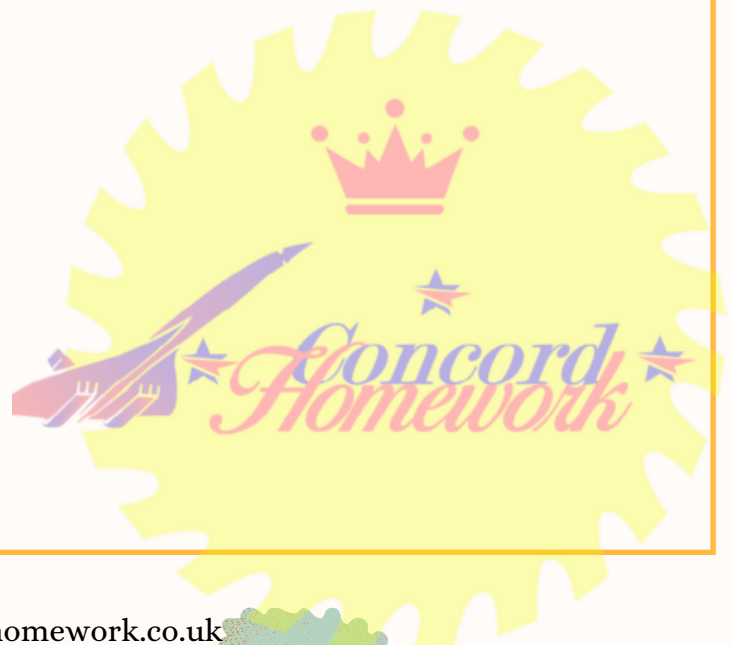

I love school! I meet my friend Robert and we walk to school together. We buy some snacks from the market near our school. We always play frisbee in the playground before our lessons. Robert never does his homework, but I always do mine.
