# FAVOURITE THINGS

What do you like? Different people like different things. Some people like loud music. Other people don't. They like soft music. Many people like sport, but they do not all like the same sports.

In some countries, cricket is a very popular sport. In others it is not popular. No one plays it. No one watches it on television. Most people like football, however. The World Cup is very popular. Millions of people watch the games on television.

Different people like different foods. Some people do not like meat. They mostly eat vegetables. Some people do not like potatoes or bread. They prefer rice or corn.

Not everyone likes the same colours. We all have our favourite colour. Some people like bright colours. Others prefer pale colours. The world is an interesting place because we all like different things.

### Give short answers to these questions.
