# MY NEIGHBOURHOOD

a. What is your neighbourhood like? Discuss your answers.

**A**

I go to John Adams Elementary School. It's in Queens, New York City, in the United States. I really like the playground at my school. I also like the school gym.

My neighbourhood is called Forest Hills. There are many apartments there, and many houses, too. People are kind in my neighbourhood. I like living in Forest Hills.

**B**

I go to Andrew Elementary School. It's in Bangkok in Thailand. I like to use the computers at my school. I like the big playground, too.

My neighbourhood is called Sathorn. There are many shops and some parks. People are friendly and nice in my neighbourhood. I like living in Sathorn.

b. Read and listen. Answer the questions.

- How are the two passages similar? .....
- Which passage shows the two main ideas (school and neighbourhood) quickly and easily?.....
