Hi, I'm Dima and I study English. I've got 17 classmates in my English class. We're (1)..... ; my classmates and I are all 13 years old. Our teacher, Ms. Matilda, is 29 years old. Her (2)..... is Wood, but she likes Ms. Matilda better! I take English lessons because I like the language. Also, my (3)..... want me to get a good job and English helps. I like our classroom; there's a large (4)..... of Buckingham Palace on the wall. Can you believe the palace has 775 rooms? And 240 of them are bedrooms! That's big enough for everyone in my town to stay in it! Actually, my town is small - there are only 600 people. Our last class is next week and Ms. Matilda wants to take a (5)..... of all of us. I'm going to take one using my (6)..... I'm sad that the class is ending, but I'm excited about the summer. It's 90 days of no school or homework - or 2,160 hours of fun, if you want to look at it that way!
