## READING & LISTENING

Hi! My name is Taishi. I'm 10 years old. I come from Japan. Today is a special day in my country. On the 5th of May, we have Children's Day. This is a Boy's Day but now we celebrate the honor of all children and say thanks to our mothers. We make flags and kites. They fly on this day. The flags are like fish. They are swimming in the sky. I love this day. My parents give me presents. I have friends all around the world. My friends celebrate Children's Day on different days. Sancho from Mexico celebrates it on 30th April, Elif from Turkey on 23rd April, Fernando from Brazil on 12th October and, Emma from Britain on 1st June. We all love this special day. We can play all day, our parents give us presents and sweets. We don't go to school on this day. We can play together and sing songs.
